Policy: Security of and Access to Campus Facilities

Ohio Technical College has installed multiple cameras throughout the campus. Cameras monitor many of the shops, building entry points, parking lots, corridors, roofs, common areas, and surrounding sidewalks/streets. Campus buildings are maintained by their appointed Department Heads and are locked/unlocked daily by their appointed Department Heads in coordination with the Facilities Manager and Campus Security. There is a front entrance that remains locked at all times. Additional security measures include electronic access through the front door, electronic lock access at the student west entrance, and secured gates in parking lots.

Policy: Security Considerations Used in the Maintenance of Campus Facilities
